

CANARY SCANNED DOCUMENT

This page exists only as pixels. There is no text layer, so pdftotext must return empty output and /wiki-extract must fall back to LLM-vision.

Ground-truth facts for verification:

1. The canary codeword is BLUE-HERON-7.
2. The fictitious invoice total is 4,217.50 euros.
3. The document is dated 14 March 2019.
